

ECE 104
Class E

Fleet Marking Grade

ORALITE® 5600E

High quality reflective livery film specifically designed for lettering, markings and decorations. Suitable for application onto rigid vehicle surfaces and approved to ECE 104 Class E.

Product benefits include:

- Approved to Regulation ECE 104 Class E
- Produced with a watermark
- Extensive colour range
- Highly flexible with a surface of cast PVC polymer blend
- Easy to use on cutting plotters
- Excellent printability using solvent based ink-jet printing and screen printing with ORALITE® 5018
- Good adaptability to uneven surfaces
- The material has been developed for application onto painted surfaces
- Removable by heat
- 7 year outdoor durability

The material is also available with a permanent adhesive. Please contact ORAFOL for details.
